Diversity Hub

We are a non-profit making organisation dedicated to building community cohesion through ending prejudice and discrimination, whether because of nationality, race, gender, religion, class, sexual orientation, age, differing abilities, occupation or life circumstances.

We deliver a wide range of skills based training and run Friends Against Bullying and Leicester Against Bullying projects for young people in school and non-school based teams.

Diversity Hub

Celebrates!

You are invited to join the Volunteers, Trustees and Staff of Diversity Hub and the people we deliver services to, as we come together to celebrate a year of development and growth.

Special emphasis will be on the work with the young people who are involved in Friends Against Bullying, Leicester Against Bullying, Champions Against Violence, Conflict Busters and the Young Roots project.

We do hope you will agree that the work we are doing is vital and you will be able to join us for this celebration. We look forward to meeting you there. Your family and friends are also welcome to attend.
